RE: 2013-04-045

Dear Mr. Morisy:

This is in response to your Freedom of Information Act (FOIA) request that was received in our office on April 11, 2013 seeking, "...a copy of each "bond" in the Social Security Trust Fund Lockbox in Parkersburg, West Virginia."

The records found in the "lockbox" are certificates that *represent* the securities of the Federal Old Age and Survivors Insurance Trust Fund and the Federal Disability Insurance Trust Fund. These certificates are updated and replaced each month and the old records are then destroyed.

You can view the complete portfolio of securities held by these funds online at:
<http://www.treasurydirect.gov/govt/reports/fip/podr/podr.htm> (pages 29-30 and 33-36).

Please confirm if the above-mentioned portfolio satisfies your request.

Sincerely,

Denise Nelson
